

Bias-Based Policing

401.1 PURPOSE AND SCOPE

This policy provides guidance to department members that affirms the Easton Police Department's commitment to policing that is fair and objective (Md. Code TR § 25-113).

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

401.1.1 DEFINITIONS

Definitions related to this policy include:

Racial or Bias-based profiling - An inappropriate reliance on factors such as race, ethnicity, national origin, religion, sex, sexual orientation, economic status, age, cultural group, disability or affiliation with any other similar identifiable group as a factor in deciding whether to take law enforcement action or to provide service.

401.2 POLICY

The Easton Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group.

401.3 RACIAL/BIAS-BASED PROFILING PROHIBITED

Racial or bias-based profiling is strictly prohibited. However, nothing in this policy is intended to prohibit an officer from considering factors such as race or ethnicity in combination with other legitimate factors to establish reasonable suspicion or probable cause (e.g., suspect description is limited to a specific race or group.)

401.3.1 OTHER PROFILING PROHIBITED

The Easton Police Department prohibits the illegal use of an individual or group's attire, appearance or mode of transportation, including the fact that an individual rides a motorcycle or wears motorcycle-related paraphernalia, as a factor in deciding to stop and question, take enforcement action, arrest or search a person or vehicle (Md. Code PS § 3-207.)

401.4 MEMBER RESPONSIBILITIES

Every member of this department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any known instances of racial or bias-based policing to a supervisor.

401.4.1 REASON FOR CONTACT

Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

Bias-Based Policing

To the extent that written documentation would otherwise be completed (e.g., arrest report, field interview (FI) card), the involved officer should include those facts giving rise to the contact, as applicable.

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

401.4.2 REPORTING TRAFFIC STOPS

Officers shall not use an individual's race or ethnicity as the sole justification to initiate a traffic stop. However, this does not alter the authority of an officer to make an arrest, conduct a search or seizure, or otherwise fulfill the officer's law enforcement obligations (Md. Code TR § 25-113).

Each time an officer makes a traffic stop, the officer shall report any information as required in the Safety Equipment Repair Orders (SERO), Traffic and Parking Citations Policy (Md. Code TR § 25-113).

401.5 SUPERVISOR RESPONSIBILITIES

Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy.

- (a) Supervisors should discuss any issues with the involved officer and his/her supervisor in a timely manner.
 - 1. Supervisors should document these discussions, in the prescribed manner.
- (b) Supervisors should periodically review Mobile Audio/Video (MAV) recordings, portable audio/video recordings, Mobile Data Terminal (MDT) data and any other available resource used to document contact between officers and the public to ensure compliance with this policy.
 - 1. Supervisors should document these periodic reviews.
 - 2. Recordings or data that capture a potential instance of bias-based policing should be appropriately retained for administrative investigation purposes.
- (c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.
- (d) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this department who discloses information concerning bias-based policing.

401.6 STATE REPORTING

The Records Section shall compile and submit the required traffic stop data to the Maryland Statistical Analysis Center no later than March 1 of the following calendar year (Md. Code TR § 25-113).

Bias-Based Policing

401.7 ADMINISTRATION

The Patrol Commander should review the efforts of the Department to provide fair and objective policing, including traffic stop data, and submit an annual report, including public concerns and complaints, to the Chief of Police. The annual report should not contain any identifying information about any specific complaint, member of the public or officer. It should be reviewed by the Chief of Police to identify any changes in training or operations that should be made to improve service (Md. Code TR § 25-113).

Supervisors should review the annual report and discuss the results with those they are assigned to supervise.

The Patrol Commander shall also review the annual report generated by the Maryland Statistical Analysis Center analyzing the information submitted by this and other law enforcement agencies (Md. Code TR § 25-113).

401.8 TRAINING

Training on fair and objective policing and review of this policy should be conducted as directed by the Support Services Commander.
